# RIMP 2026

## 75 years of gathering !

In 1951, a group of Protestant soldiers met for the first time at the Musée du Désert (Mialet, Gard), a major place of French Protestantism, **to share their faith in Jesus Christ and their attachment to God**. Over the years, this meeting has become the Rassemblement International Militaire Protestant, **a place of exchange, renewal and deepening of faith** for nearly 500 Protestant military personnel from some 20 countries !

It's a unique and life-changing experience for everyone, whether they're from France or elsewhere !

## The theme for 2026

This year, we will gather around this theme : *The Soldier's Prayer : Praying Alone, Praying Together*.

## Who should attend ?

All military or civilian personnel from the Ministry of the Armed Forces or the National Gendarmerie, and their families.
